

## QB BLADE DISPENSER 100 BLADES

Product Code:

QBD-325

100 Utility Blade Dispenser  
Standard No. 92- 2 Notch

Quick, Easy And Safe. In a production work environment, the last thing you want is, to stop and search for blades. Precise blade dispensing, using the non-binding blade access lever delivers 1 blade each time. Convenient see-thru body indicates blade dispense levels and built-in blade disposal slot safely eliminates loose blades.

Innovative Features:

- Quickly dispense one blade at a time
- Ultra sharp
- Professional quality
- .025 thickness for all purpose cutting
